Mockingbird : Student Short Film (Best Animation @ Greenville's Reedy Reels 2019)

Blue Note : Student Short Film (Best Animation @ Greenville's Reedy Reels 2018)

Courses focusing on a wide range of digital production techniques and software, focusing more on animation.

B.A. COMPUTER SCIENCE • AUG 2016 • CLEMSON UNIVERSITY

GPA : 3.4

Courses focusing primarily on visual computing, C++, OpenGL, cocos2D

PROFESSIONAL EXPERIENCE

FARM MANAGER • HORSESHOE FARM • AUG '19 – AUG '20

Manage a four-season Community Supported Agriculture program at an intensive, small-scale market farm. Organize and train interns. Coordinate with a partnership restaurant, The Anchorage of Greenville, for produce orders.

FOOD RUNNER / HOST • THE ANCHORAGE • AUG '19 – AUG '20

Coordinate with Chef on expedition line to ensure that plates are finished and reach the appropriate table and seat in a timely and orderly manner at a five-course, fine-dining, small-plate, locally-sourced restaurant in the art-driven Village of West Greenville.
